ABOUT THE EVENT

Magnus Group is delighted to announce its "5th Edition of International Cancer Conference" (CANCER SCIENCE 2022) HYBRID EVENT during March 24-26, 2022 at Singapore. The global conference aimed with a theme "Impediment to Advancements in Cancer Research".

Cancer Science 2022 is scheduled in Hybrid Format with both onsite and virtual versions. We believe that our decision will enable broad participation.

This Congress will be a unique forum for all the research scholars, students, oncologists, hematologists, who are working in this field to exchange their knowledge related to Cancer Research. This international event is an effort to understand the underlying biological procedures which are amended to increase effectiveness, precision, survivability and quality of life.

Cancer Science 2022 is the best place to have crisp discussions about cancer and oncology current hardships, advances in regulatory decision-making, and increasing cancer patient's access to treatment and to provide high-quality care and authorized treatment, and to supervise various tactics and uncover hidden challenges.

Through this global summit encompasses the full spectrum of cancer - from prevention and treatment to palliative care - the event seeks to enhance the cancer community's action and effect on a national, regional, and international level. This three-day conference will be jam packed with recent advances and future trends in Cancer.

Cancer Science 2022 will be the premier event that brings together International experts, Researchers, Scientists, Scholars, Academic researchers, Academicians, Physicians, Professors, Pharmacy Industries, training institutes, manufacturing medical device companies, business entrepreneurs, and leaders from around the world to share their knowledge, expertise, and scientific breakthroughs to fabricate Cancer Research to lessen the worldwide weight of malignancy.
